Pursuant to the North Carolina Solid Waste Management Rules (Rule) 15A NCAC 13B .0533(c), the Solid Waste Section has prepared the Solid Waste Permit Number 2803-CDLF-1995 allowing the Dare County Construction and Demolition Debris Landfill (C&DLF) to increase the waste footprint from 56.5 acres to 64.9 acres and to vertically expand the landfill with final grades up to 40 feet above mean sea level. The expansion increases the gross capacity of the landfill to 3,044,300 cubic yards if the permit is approved. This C&DLF is owned and operated by Dare County. It is located at 1531 Link Road in Manns Harbor. The draft permit also includes conditions for operating miscellaneous solid waste management units inside the landfill facility.

Rule 15A NCAC 13B .0533(c)(4) requires that the general public shall be given a 45-day period to comment on this draft permit. The comment period will begin on July 10, 2015 and end at 5:00 PM on August 24, 2015. Comments should be submitted in writing to Ming-Tai Chao, division contact, at the address listed above. All data submitted by the applicant, fact sheet, and draft permit are available as part of the administrative record and may be reviewed during business hours (9 a.m. - 4 p.m., Monday-Friday, by appointment) at the Division of Waste Management office, located at 217 West Jones Street, Raleigh, North Carolina or reviewed online at the "Public Notice" tab of the Solid Waste Section website at <http://portal.ncdenr.org/web/wm/sw>. A public hearing has not been scheduled for this draft permit. Any person interested in a public hearing on this draft permit should notify the division contact. If sufficient interest exists, then a public hearing will be scheduled.
